Mother's Day Wishes extended by Loved One

My mom's name is Barbara Guillen and I am Lisette Guillen-Dolby. What makes my mom special is that she texts me almost daily with a "Good morning, honey" and a "Goodnight, love." She is not able to be with her mom this Mother's Day due to no visitations allowed during COVID and through all of this she has been strong and makes every effort to connect with my grandmother where she can. My mom, like many moms, made a lot of sacrifices and I owe my success to her.

Atria Staff & Residents find ways to Encourage

Photos contributed

Atria Park of Lake Forest staff and residents have found a way to keep the cheer and encourage each other during the COVID-19 crisis while also social distancing. Atria Park of Lake Forest residents celebrated "May Day" an ancient festival to welcome the Spring holiday. Top left: Dulce S. (Resident) and top right: Ruby K. (Resident). There's no better way to show " We Lava" our residents than with a tropical inspired Wacky Wednesday! Vacations are still taking place at our community 1 room at a time. Today's adventure was equipped with a bubble blowing volcano and of course our themed drink of the day "Long Island Ice Tea." Middle left: Nancy C. (Resident) and middle right: Lisa Green Engage Life Program Instructor. It's game time at Atria Park of Lake Forest. Residents and staff enjoyed a fun filled sports themed day. Our Culinary Team hit a home run and prepared the perfect "Fan Food" with Hamburgers & Hotdogs with all the right pairings! In addition, our residents had the opportunity to enjoy our Wacky Wednesday Happy Hour . Today's themed drink was of course a "Mudslide." Each resident also received a beautiful plant in recognition of Earth Day.
